

Marissa Villarreal

Age: 39

Location: Herriman, UT

Family Life: Marissa is a single mother raising two kids. She loves spending time with them, but is sad that she spends most of the day away from them.

Goals:

"I will work hard enough to earn a promotion."

"I will use my weekends to focus on my children."

Frustrations:

"My children's sitter has expressed a concern that the children get restless and bored during the day and need new activities to occupy their time."

"I don't have time to socialize. I love my children dearly, but I wish I just had more time during the weekends for me."

Alex Varner

Age: 15

Location: Wichita, KS

Interests:

Music, hanging out with friends, drawing manga and anime

Dislikes:

Tests, competitive people, Italian food

Family Life:

Youngest child of 4, currently the only one living at home.

Goals:

Graduate highschool with a B+ or higher

Get a piece of art submitted to a national contest

Frustrations:

Doesn't like being an "only" child and feeling the full attention of their parents.

Some friends within their friend circle are developing new interests and leaving.
